

IN THE SPECIFICATION:

On page 11, line 21, after the word "below." Please remove the following text:

"TNF kernel 38 becomes aware of LINKS 30a through 30c through _____ (please provide this detail)."

On page 13, line 12, after the word "things,". Please remove the following word "even" and replace with --event--.

On page 11, line 20, after the word "thereof." Please add the following text.

Under either arrangement, or other suitable arrangements, a signal is transmitted to the TNF kernel to communicate the initialization of the link drivers.

REMARKS

This change in the specification does not add new matter or modify the content of the application as filed. It is supplied to correct a scrivener's error.

Respectfully,
